which ever weighs upon the mind of the tonecientions christian minister. As he sels it his imperative, duty to we are which conscients the minister As he conscients on the conscient of the con

bid them not live for the things of this tucky "rebels" at "ready and a sters" to world only, and has no thought whether indians, or either of the other States too you gave a majority within the aciguare impelled by a sense of duty to raise our voice without coasing in warning appeals to the American people they had lead the three in the other States to the or impelled by a sense of duty to raise our voice without coasing in warning appeals to the American people they did not have, and no affort was saide.

House the three is the other States to the orbital warning appeals to the distribution and the inclusion and the orbital people without the acquation of the chief is the other states to the orbital and the orbital people with the acquation of the chief is the other states to the orbital and the orbital people with the acquation of the chief is the orbital and the orbital gainst the ruin and despotism and an to collect it. The vote of Fluyd county, perity, peace and freedom. We do not itadical vote of some three hundred and retend that any affair of this world can twenty. The aggregate vote at the elec-tempare in importance with those of the tion on the 19th of O ther was also if the hereafter, but rarely have questions of same as tormerly more than at the late carthly and mortal interest been of such profound importance as that which has no constantly engroused our attention. Nor are we without the hope and belief that

profitical alturation of our country. Two great parties are striving for the ascendency, between which the voters of the United States will have to decide next Theoday. By those parties the most antagonistic principles are represented. While the Democratic party is for the restoration of the United as a large of the purpose of helping to defray the exception as it was under the old constitutional government, the Radical party is both of the Journal and the C ronicle things, and tell them, moreover, it at Louise plates the contradization of the powers of the Government, the carrying out of an unequal and rulnous financial policy, and the equality of the races, or, rather, we should say, the political superiority of negroes. Such, in brief, are the issues presented in this contest. Such are the issues presented in this contest. Such are the issues the people are expected to judge and decide next Toesday in voting for Seymour and Hair, or Grant and Colfax.

The spectacle presented by a aureous of the power of the presents and indianapolis contemporar will prove exceptionally on did

The spectacle presented by a survey of Prove exceptionally ca did Opposed to 1., with their new flag, and their revolutionary motion of Party over their revolutionary motion of Party over their revolutions. Meanwhile all anxiously await the issue of battle, that they may know who are henceforth to rule. If the D-mocracy are auccessful, they will win a victory more important in the results would cause people to open their cycle in any zero at Nothin, is been any over achieved by the word. It the Radicals are triumphant, they will triumph over law, principle, the Constitution, and the old trovernment. If the Democracy win, a triumph will be their far more glorious than that of the Baroma at Runnymode, or even than the victory of our own ancestors at the autrender of Cornwallia, for Democratic success next Tuesday will assure the final and complete assendency of constitution of the final and complete assendency of constitution and republican government and liberty.

what has got with a to come y With In suc a case it - ma impossible that It all, and with all their fraude and colon f - American l'itizens could hesitate in zatio , they were only able to a pe ac ing their clause between partle. We find d but in the toler. Next Tuesday, ca not co , , h d how any white man thank II - a u, it will but pe 'ble tor and any lover of liberty can unil to join them thus to carry out their inti-niching of at once with those who are rallying with so high n had nder the proud old Democratic banner,

can panse or action, we say them now it any man car ing that it a 10 or at 1 a 10 o more interprising, more liberty-loving and intelligent than the located Angle Saxons—proved a failure in a li-government, that they should dream of putting an and to popular freedom in America, and getting a master, or masters, to rule over them? Has the pure Caucasian race shown itself incompetent, that negro domination should be resorted to? These are questione enter.

archy that await them, if Radicaliam is just on our border, how ver, is sufficient talented and sloquent candidate for Congress family triumphant in the land, and to arge answer to the charge that it entuckians from this, the Fifth Detrict, apeaks at Wood them to perform that duty of patriotism voted in Indiana. That county at the land Garden this (Wednesday) e ening, at 71 which can alone lead the nation to prose-election proceding the religious gave a o'cleak. We bespeak for him a large turn out

are we without the hope and belief that our admonitions, our warnings and our admonitions, our warnings and our commeds, and the admonitions, warnings and proper Of course it is utterly to and proper of course it is utterly to and countries of those laboring with un, have not been lost as seed sown upon burners within the proper of the time of the countries of have not been lost as seed sown upon barren ground.

It is impossible to conceive of a state of things that should more profoundly entired the attention and interest of the American people than that propose connected with the elections was allowed interest of the American people than that propose connected with the elections was allowed on better in street, between three differences in the propose connected with the elections was allowed on better in street, between three differences in the propose of the contents and the propose of the propos people than that present delight the present specifical aduation of our country. Two

ional government, the Radical party is both of the Journal and the Coronicle at upon the introduction of a new and Will these papers tell how volation by they bent upon the introduction of a new and totally different governmental policy and system. Democracy proposes nothing new it is antified with the freedom and happiness of the people under the government of the fathers, a lit seeks to undo what

he Radical have already done in the way tray the expense of the line maccany, the of change, and restore all to its pristine condition. Radicalism as we have it it may be condition. Radicalism as we have it it may \$500, and that that we subscribed by mated, in strongether for change. Its advocates assume that the Constitution was the work of old fogies, and that it is time guished U. S. Senator. Will our Radical by all regulated U. S. Senator. Will our Radical C. Money loss. for a new and improved order of things to be inaugurated. That new order contemporaries tell their readura these things, and tell them, moreover, that Louis

The spectacle presented by a survey of the political hattle-field where this vital struggle is to come off, is one full of excitement and the deposit interest. Ready for the conflict on each site is arrayed a mighty host. Drawn up on the one side, prepared to do battle for that which they know to be the right, with all the indomitable zeal their cause inspires, are the legions of Democracy. The ban
are the legions of Democracy. The ban
late of tions was proled by examining that the late of tions was proled by even larger.

Even if all were true that is alleged of our citizens, we submit that reproaches on that account would come with bit an ill grace from the Radicals. To carry the large and optended stock of the large a are the legions of Democracy. The banner of the Constitution floats over them and the year sworn an oath by all the said nemories of the past and the proud liopes of the fairer, that they will year of their cau.

Opposed to total, with the ir new flag, and or fall manifest the firm of t

ian any ever achieved by the word, known than the fact that for months prior to the Detober elections a general y term

under the proud old Democratic banner, there to do bat for the Union, the Constitution and the laws. And yet, from motives of ambit and the director personal aggrandizement, and from some atragge tanatical infatuation, it is certain that a large number of persons have arrayed themselves under the standard of Radienlium, and ar there prepared to strive for the overthrow of constitutional freedom and the destruction of the political supremacy of the white race.

**Continuous of the Fifth Diameter of the Fifth Diameter to the property of the Fifth Diameter that too, (w) the laws of the party of the property of the political supremacy of the white race.
